This 135L black wine cooler holds up to 54 standard Bordeaux bottles across five wooden racks, with a temperature range of 5-20°C that suits everything from sparkling and white wines to full-bodied reds. The double-glazed, tinted glass door helps maintain a stable temperature while protecting your wine from UV light, and the interior LED lighting shows off your collection. An electronic touch-pad makes temperature control effortless, and a child lock prevents accidental changes. The recessed handle gives a clean, seamless look, and the reversible hinge lets you set the door to open from whichever side suits your space.

Smart storage with a premium finish.
